Mayor and City Council
City of Porterdale Georgia
PO Box 667

It has come to my attention that the Mayor and other Council Members may have lost confidence in my work on behalf of the City. Given that fact and the need for City business to continue, I would like to offer my letter of resignation at this time. I will work with the City to effectuate a smooth transition moving forward.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Bob Thomson', with a long horizontal flourish extending to the right.
